

NORTHBRIDGE TUNNEL

84. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

Mr President —

Several members interjected.

The PRESIDENT: Order, members! I think we have moved on from the last question. Now we have a new question.

Hon KEN TRAVERS: I think we are all probably a bit stunned by the last answer. My question is as follows —

- (1) How many times were the overhead amber warning lights activated in the eastbound lanes of the Northbridge tunnel in —
 - (a) February 2013; and
 - (b) March 2013?
- (2) How many times did traffic queue up in the eastbound lanes of the Northbridge tunnel travelling east in the afternoon peak times in —
 - (a) February 2013; and
 - (b) March 2013?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question. I would like to give a response to this question tomorrow as I am not entirely comfortable with the response I have here in regard to this matter.
