

INFILL SEWERAGE PROGRAM, PROSECUTIONS FOR FAILURE TO CONNECT

1237. Hon Jim Scott to the Minister for Government Enterprises

- (1) Has the Minister issued a directive to the Water Corporation to restrain them from prosecuting home owners who do not connect to the infill sewage program?
- (2) If yes, why was this done?
- (3) How many homes in Perth are serviced by deep sewerage but are so far not connected to the scheme?
- (4) Did the Government promise to review the status of grey water recycling in an effort to encourage greater utilisation of this significant resource?
- (5) What has the Government done to honour this commitment?

Hon NICK GRIFFITHS replied:

- (1) No.
- (2) Not applicable.
- (3) 18,343.
- (4)-(5) The issue of grey water reuse is one to be addressed by the Minister for Health.
