

ESPERANCE RESIDENTIAL COLLEGE

**1037. Hon MURRAY CRIDDLE to the Minister for Education and Training:**

Given that the development of the Ravensthorpe nickel mine will lead to a greater requirement for accommodation at the Esperance residential college, I ask -

- (1) Is there any plan to extend the Esperance residential college?
- (2) If yes, has a budgetary commitment been given to this project?

**Hon LJILJANNA RAVLICH replied:**

I thank the member for some notice of this question.

- (1)-(2) A master plan to extend the Esperance residential college to a capacity of 144 students, at a cost of \$13.9 million, has been submitted for consideration as part of the 2007-08 budget process.
