

FORRESTFIELD–AIRPORT LINK

922. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I refer to the proposed Forrestfield–airport rail line.

- (1) How many new railcars will be purchased for this line?
- (2) Is it intended that these railcars will be part of the 50 new Perth C series railcars proposed in tender PTA2014063?
- (3) If no to (2), what railcars will be purchased for this line?

Hon JIM CHOWN replied:

I thank the member for some notice of this question.

- (1) The project will fund the acquisition of an additional 24 railcars for the Transperth fleet.
- (2) The C series train deliveries will provide the passenger capacity to allow eight three-railcar sets of B series capacity to be available for the Forrestfield–airport line.
- (3) Not applicable.
