

INNOVATION AND ICT — DIGITAL INCLUSION PROGRAMS

1188. Hon WILSON TUCKER to the Minister for Innovation and ICT:

I refer to my question without notice 88 and question on notice 621 regarding the expected completion date of the WA government's digital inclusion in WA blueprint, expected to be delivered by the end of 2022. As the year draws to a close, can the minister please update the house on when we can expect the blueprint?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. The answers to Legislative Council question without notice 88 and question on notice 621 remain current.
