

SUBURBAN TRAINS — CLAISEBROOK DEPOT

**1253. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:**

- (1) What is the estimated total cost of providing additional stowage lines at the authority's Claisebrook depot and all associated works?
- (2) Do any of the plans associated with this project include provision for a new main line connection to the Claisebrook depot; and/or a new crossover on Goongoongup Bridge?
- (3) If yes to (2), what is the purpose of this new connection and/or crossover; what is the estimated cost of this work; and when is it expected that the new main line connection and/or crossover will be built?

**Hon JIM CHOWN replied:**
