

BUSH FOREVER SITE IN STAKE HILL

1058. Hon JIM SCOTT to the parliamentary secretary representing the Minister for Planning and Infrastructure:

Will the parliamentary secretary inform me whether I will get an answer to my question about the Bush Forever site in Stake Hill sometime this week, as the answer has been promised a number of times so far?

Hon KEN TRAVERS replied:

Well done, Jim! I will certainly endeavour to chase up the member's question and seek an answer for him as soon as possible.
