

TRANSPERTH — CARBON TAX

**1020. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:**

- (1) Has the government made a decision on how much Transperth fares will be reduced by following the abolition of the carbon tax?
- (2) If yes to (1), how much will they be reduced by in each zone?
- (3) If no to (1), why not?
- (4) When does the Minister for Transport expect the new fares will be introduced?
- (5) Will all SmartRider users be reimbursed their fares back to 1 July 2014?

**Hon JIM CHOWN replied:**

- (1)–(5) The reduction will be passed on in full for Transperth fares. The government is considering the timing and impact of the carbon tax removal on the fare structure; therefore, this question is unable to be answered in full at this time and I request that this question be placed on notice.
