

KWINANA MOTORPLEX, LICENCE

383. Hon J.A. SCOTT to the Minister for Sport and Recreation:

- (1) Has the Kwinana motorplex been officially opened and when will it begin operations?
- (2) Who are the operators and have they been granted a licence?
- (3) Have the operating licences been advertised? If so, when?
- (4) Have contracts been offered or let to provide catering at the motorplex? If so, who offered the contracts - the Western Australian Sports Centre Trust or Mr Mioceovich and/or Mr Migro or their companies?

Hon N.F. MOORE replied:

I thank the member for some notice of this question.

- (1) The Kwinana motorplex has not been opened. I am not sure that the member is on the list of invitees to the opening, but I doubt it. It is scheduled to commence operations in the middle of December.
- (2) A licence agreement is currently being negotiated with Kwinana Motorplex Pty Ltd to operate the motorplex.
- (3) No.
- (4) The catering rights form part of the licence with Kwinana Motorplex Pty Ltd.
