

PLANNING — INFILL TARGETS

1070. Hon WILSON TUCKER to the Leader of the House representing the Minister for Planning:

I refer to the urban infill target of 47 per cent contained within the *Perth and Peel@3.5 million* framework. Can the minister please provide the urban infill dwelling targets for each local government area within the Perth and Peel regions?

Hon SUE ELLERY replied:

This information is publicly available and is contained within the *Perth and Peel@3.5 million* subregional frameworks. I table the relevant sections of these documents.
