

MAIN ROADS ANNUAL REPORT

220. Hon MURRAY CRIDDLE to the Leader of the House:

A couple of weeks ago I asked a question of the Minister for Planning and Infrastructure and I was referred to a 2004-05 annual report. Will the Leader of the House assure me that that report will be tabled in this house immediately, because it is overdue?

Hon KIM CHANCE replied:

I am not sure that I can.

Hon Murray Criddle: It has been released into the public arena.

Hon KIM CHANCE: I do not know which annual report Hon Murray Criddle is referring to.

Hon Murray Criddle: I am referring to Main Roads' annual report for last year.

Hon KIM CHANCE: I can assure the member that that report will be tabled.
