

AVONLINK SERVICE — DISCONTINUANCE

894. Mr M.P. MURRAY to the Minister for Transport:

I look forward to asking the supplementary question. Will the minister give a commitment to those people in the wheatbelt that the service will run for longer than six months?

Mr T.R. BUSWELL replied:

As I said, member for Collie–Preston, we will work with the Wheatbelt Development Commission to develop a funding model and I am very confident that that will deliver a long-term rail solution to those people. I again thank the member for giving me the opportunity to highlight to the house and to those constituents the good work they have done.
