

ROADS — BUSSELL HIGHWAY — IMPROVEMENTS — BUNBURY–MARGARET RIVER

4249. Hon Adele Farina to the parliamentary secretary representing the Minister for Transport:

- (1) In 2015–16, what improvements were completed to Bussell Highway between:
 - (a) Bunbury and Busselton; and
 - (b) Busselton and Margaret River?
- (2) In relation to (1) (a) and (b), what was the cost of these improvements?

Hon Jim Chown replied:

- (1)
 - (a) Bunbury and Busselton: Install street lighting at Spurr Road intersection, Capel.
 - (b) Busselton and Margaret River: Extend guard railing on two bridges and install guard rail on the Fauna underpass on Busselton Bypass; Construct 4.2 km long Vasse Bypass including a pedestrian underpass; Widen and reconstruct 2.6 km immediately south of the Vasse Bypass; and Provide sealed shoulders for 0.8 km and widen the bridge over the Carbunup River to provide a right turn lane into Wildwood Road, Carbunup River.
- (2)
 - (a) \$0.30 million.
 - (b) \$0.77 million; \$18.33 million (includes \$6.45 million provided by the developer); \$3.40 million; and \$2.55 million.
