

SKY JETTY FOREST ICON PROJECT

Petition

Mr Omodei presented the following petition bearing the signatures of 105 persons -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, request that Government funds from both the State and Commonwealth allocated for the 'Sky Jetty Forest Icon Project' is spent in the Donnelly Valley.

We prefer the site already identified by the public consultation process adopted in the year 2000 and request that the project proceeds immediately.

Now we ask the Legislative Assembly to convey our support for the Sky Jetty on the original site to the State Government and further request that this matter be expedited and completed.

The establishment of significant and world-class tourist icons in Manjimup is vital to the economic future of the town and the region.
