

ROAD SAFETY PROJECTS, CRITERIA

1022. Mr OMODEI to the Minister for Police and Emergency Services:

Will the minister table the “strict criteria” used to define legitimate road safety projects under this Government?
I remind the minister of the Government’s election commitment in that regard.

Mrs ROBERTS replied:

The Government has met its commitment in full, and more. I tabled the document last week and, if anyone is grandstanding, it is the member for Warren-Blackwood.
