

MINGENEW PRIMARY SCHOOL, TOILET FACILITIES

600. Hon MURRAY CRIDDLE to the parliamentary secretary representing the Minister for Education and Training:

- (1) Is the minister aware that the toilet facilities in the Mingenew Primary School are in a deplorable condition and that students are required to use the local bush?
- (2) As this is totally unacceptable, when will this situation be rectified?

Hon GRAHAM GIFFARD replied:

I thank the honourable member for some notice of this question.

- (1) The toilets were blocked due to tree roots. Students were directed to the preprimary toilets when the water was turned off.
- (2) Faults were given priority status by the Department of Housing and Works and rectified.
