

PORT CATHERINE URBAN MARINA, RENEGOTIATION OF AGREEMENT

614. Hon Jim Scott to the Parliamentary Secretary representing the Minister for Planning and Infrastructure

Does the Minister intend to re-negotiate the agreement between Port Catherine Developments and the Government for the development of the Port Catherine urban marina?

Hon GRAHAM GIFFARD replied:

The Government is bound by the terms of a legally binding agreement entered into by the previous government. To reopen negotiations would require the proponent's agreement. We are keeping the dialogue with proponent open.
