

WATTLEUP, REDUCTION OF POPULATION

1055. Hon Jim Scott to the Parliamentary Secretary representing the Minister for Planning and Infrastructure  
What is LandCorp's strategy to reduce the population of Wattleup?

Hon KEN TRAVERS replied:

LandCorp's strategy is to redevelop the townsite of Wattleup in accordance with the Master Plan which is currently being prepared.

The exact timing for redevelopment will not be known until the Master Plan has been finalised.

In the interim the townsite is being maintained with demolition only of high maintenance or unsafe housing.
