

LEIGHTON MARSHALLING YARDS, LEIGHTON SHORES PROPOSAL

**11. Hon GIZ WATSON to the Minister for Transport:**

In relation to the Leighton marshalling yards redevelopment -

- (1) Does the Government have a contract with Leighton Shores proponents?
- (2) Will the Government be prepared to pay compensation if the Leighton Shores proposal is rejected or substantially changed?

**Hon M.J. CRIDDLE replied:**

- (1)-(2) The only arrangement with that proponent is that it has preferred tender status.
