

NORTHBRIDGE TUNNEL

Question without Notice 84 — Answer Advice

HON JIM CHOWN (Agricultural — Parliamentary Secretary) [5.09 pm]: I would like to provide an answer to part (2) of question without notice 84 asked yesterday by Hon Ken Travers. I would also like to thank the member for graciously stepping back in his pursuit of an answer to part (1) of the question once he became aware of the inordinate amount of time that the department would require to provide an adequate answer.

- (2) (a) There were no recorded periods of congestion in the eastbound lanes of the Northbridge Tunnel in the afternoon peak periods in February 2013; and
- (b) During March 2013, traffic congestion was recorded in the eastbound lanes of the Northbridge Tunnel at 14.48 hours on Friday, 1 March 2013 due to a vehicle incident.
