

**MAIN ROADS WA — WEED MANAGEMENT PROGRAM**

*Question without Notice 416 — Answer Advice*

**HON JIM CHOWN (Agricultural — Parliamentary Secretary)** [5.06 pm]: The answers to Hon Lynn MacLaren's question have turned up. Main Roads provides the following advice.

- (1) During January 2013.
- (2) Site inspections in February 2013 to assess the effectiveness of the current treatment for controlling the weeds.
- (3) Monitoring is ongoing and continuing.
- (4) The second application of the winter spraying program has been delayed to late August 2013 due to program shoulder grading underway on Albany Highway.
- (5) Main Roads will adjust roadside maintenance practice as necessary.
