

MEMBER FOR BALLAJURA - PUBLIC'S REACTION

219. Mr P.D. OMODEI to the Premier:

I have a supplementary question. What would the public's criticism have been of the Premier's minister had it known he was driving without a licence when he launched that program?

The SPEAKER: I ask the Premier to take a seat.

Mr A.J. CARPENTER: I am happy to answer the question.

The SPEAKER: The Premier may be happy to answer the question, but the question asks for an opinion and I do not believe it is an appropriate question.
