

RAIL LINES — JOONDALUP AND MANDURAH — DISRUPTION

2556. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

I refer to the train disruption to the Joondalup and Mandurah rail lines on 24 January 2015, and I ask:

- (a) what time did the delays first occur;
- (b) what were the technical issues responsible;
- (c) when did services resume; and
- (d) how many services were affected?

**Hon Jim Chown replied:**

- (a) 10.12am
- (b) A fault occurred with a railcar's computer system.
- (c) Train services between Leederville and Stirling stations did not operate between 10.12am and 1.33pm due to this issue. Services continued to operate between Mandurah and Leederville stations and between Stirling and Butler stations during these times, albeit not to timetable. Timetabled services between Joondalup and Mandurah resumed at 1.33pm.
