

EQUAL OPPORTUNITY ACT — REVIEW

725. Hon Dr BRAD PETTITT to the parliamentary secretary representing the Attorney General:

I refer to the answer to my question without notice 1319 asked in the Legislative Council on 30 November 2022, whereby the government indicated it would introduce a new Equal Opportunity Act to Parliament in the first half of 2023. I also refer to the recent increased vilification of the LGBTQIA+ community, including at drag queen story time events. When will the state government introduce a new Equal Opportunity Act to Parliament?

Hon KYLE MCGINN replied:

I thank the member for some notice of the question. I answer on behalf of the parliamentary secretary representing the Attorney General. The following answer is provided by the Attorney General.

This will be introduced into the Western Australian Parliament as soon as practicable.
