

LANCO GRIFFIN COAL — MENTAL HEALTH ISSUES

Petition

MR M.P. MURRAY (Collie–Preston) [2.55 pm]: I have another petition that is signed by 43 petitioners.

Lanco Griffin Coal—Act on Mental Health

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled. We the undersigned have grave concerns for the mental health and wellbeing of Griffin maintenance employees due to the company's management style.

We say that just as the State government is responsible for regulating physical health and safety, the it also has a clear role to play in workplace mental health.

We respectfully request that members of the Legislative Assembly take up our concerns with the Honourable Minister for Commerce and request he asks Worksafe to conduct a comprehensive inquiry into Lanco Griffin coal's management style and effect on employee mental health.
