

PUBLIC TRANSPORT — BUS SECURITY — BUNBURY

1929. Hon Adele Farina to the Parliamentary Secretary representing the Minister for Transport:

I refer to Bunbury buses, and I ask:

- (a) are all Bunbury buses fitted with two-way radios and driver alarms; and
- (b) when will security on Bunbury buses be improved to a level comparable with the security on metropolitan buses?

**Hon Jim Chown replied:**

- (a) Yes
- (b) Security measures are adequate on Bunbury regional town buses due to the low level of incidents that occur on these services.
