

MAIN ROADS — DATA COLLECTION

174. Hon NICK GOIRAN to the minister representing the Minister for Transport:

I refer to the answer to my question without notice 1439 following the revelation in the hearing before the Standing Committee on Estimates and Financial Operations on 8 November 2023 that the managing director of Main Roads Western Australia decided on 4 August 2023 to disable the devices that had been collecting data from road users in breach of the Surveillance Devices Regulations 1999.

- (1) Did the minister or any other person keep notes during the briefing on 21 August 2023?
- (2) If yes, will the minister table those notes?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

- (1)–(2) I table a staff member’s handwritten notes from the meeting.
