

QUESTIONS WITHOUT NOTICE

Time for Submissions

HON MURRAY CRIDDLE (Agricultural) [4.31 pm]: Before we resume the business of the house I need clarification of one issue from the Leader of the House. What time will the submission for questions on notice close tomorrow?

HON KIM CHANCE (Agricultural - Leader of the House) [4.32 pm]: As the house will take questions without notice at 4.00 pm tomorrow - which is also the normal time for Thursdays - it would be reasonable to apply the same time to tomorrow.

HON ROBIN CHAPPLE (Mining and Pastoral) [4.33 pm]: All members have received by e-mail a note from the ministers' writing room about questions without notice in that they be finalised by four o'clock today.

The PRESIDENT: Order! I am sure that the relevant information will go into the system and an answer will come out.
