

PERTH AIRPORT–FREMANTLE PORT FREIGHT LINK

**548. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:**

I refer to the proposed freight link between Perth Airport and Fremantle port.

- (1) What work has the government undertaken to establish the benefits of this proposal?
- (2) Will the minister table any reports that demonstrate any benefits identified?
- (3) What work has the government undertaken to establish the cost of this proposal?
- (4) If yes to (3), what is the cost of each element of this proposal?
- (5) What is the most recent estimated benefit–cost ratio for the Roe Highway extension to Stock Road?

**Hon JIM CHOWN replied:**

I would appreciate some guidance on the number of that question.

**Hon Ken Travers:** It is C595.

**Hon JIM CHOWN:** Unfortunately, I do not have a response to the question in my folder. I will endeavour to find out where it has gone.
