

TIER 3 RAIL LINES — CLOSURE

**486. Mr M.P. MURRAY to the Minister for Transport:**

I have a supplementary question. Is the promise of the Premier before the election his promise or not? There is a younger looking bloke on the side of this publication dated 7 March 2013 who made those promises. He has certainly aged a bit. Is it a government promise or not?

**Mrs L.M. Harvey:** Commenting on people's appearance—it's disgraceful.

**The SPEAKER:** Minister for Police, I call you to order for the first time.

**Mr D.C. NALDER replied:**

This government does support a viable tier 3 railway line. The key word is "viable". We have always said that. This is a commercial arrangement between two commercial entities. We would like to see them reach an agreement, and we hope that they can.
