

NATIONAL PARKS, SIX NEW PARKS

**235. Mr OMODEI to the Minister for the Environment and Heritage:**

I have a supplementary question. Anybody who has looked at this brochure would know that it is regrowth forest. The minister has seen the brochure. Is it regrowth forest and has it been clear-felled?

The SPEAKER: I could not hear the supplementary question. Perhaps the member will rephrase his supplementary question so that it is a precise question and the members on my right will allow me to hear it.

Mr OMODEI: Is the forest on the brochure regrowth forest; and, if so, has it been clear-felled?

**Dr EDWARDS replied:**

I again thank the member for his question. Given the member's superior knowledge of his own electorate in his own backyard, I bow to his expertise.

The SPEAKER: For the information of members, I indicate that in the Speaker's gallery are Hon Mark Brindal, MP, the Minister for Employment and Training in South Australia, and his advisers.

[Applause.]
