

WOMEN’S AND BABIES’ HOSPITAL — RELOCATION

771. Ms L. Mettam to the Minister for Health:

I refer to the McGowan Government’s decision to change the location of the new Women and Babies hospital from Queen Elizabeth II (QEII) to the Fiona Stanley Hospital site and I ask:

- (a) Has the Government had any negotiation or discussions regarding an alternative use for the land at QEII that was previously proposed for the Women and Babies Hospital; and
- (b) Will the Minister commit to full and transparent community and sector consultation before deciding on an alternative use for the land?

Ms A. Sanderson replied:

- (a) There is existing built infrastructure situated on the land previously proposed for the new Women and Babies Hospital at QEII.
- (b) Not applicable.
