

FIONA STANLEY HOSPITAL — CLADDING — FIRE RISK

1224. Hon NEIL THOMSON to the Leader of the House representing the Minister for Health:

I refer to question without notice 475 asked in the Legislative Assembly on 7 September 2021 regarding combustible cladding at Fiona Stanley Hospital.

- (1) Can the minister confirm that dangerous cladding on Fiona Stanley Hospital has commenced being replaced?
- (2) When will it be replaced, given five years have now passed since the Grenfell Tower tragedy?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

On behalf of the minister, I request the honourable member place the question on notice.
