

CLEARING PERMITS - LOCAL GOVERNMENTS ON WAITING LIST

3765. Hon Murray Criddle to the Minister for Education and Training representing the Minister for the Environment

I refer to clearance permits, in particular a C2 five year purpose permit for Local Governments that are required for road maintenance under the *Environmental Protection Act 1986*. Can you please advise -

How many Local Governments are on the waiting list for C2 five year purpose permits, which ones are they and how long have they each been waiting for approval?
