

PUBLIC TRANSPORT AUTHORITY — FREIGHT RAILWAY ROUTE — BELLEVUE TO
FORRESTFIELD

1771. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

- (1) Has the Public Transport Authority developed an alternative alignment for the freight railway route from Bellevue to Forrestfield?
- (2) If yes to (1), will the Minister table it and, if not, why not?
- (3) If no to (1), when does the Public Transport Authority expect to complete it?
- (4) What is the estimated cost of the alternative alignment?
- (5) What is the current estimated time frame for when construction of the alternative alignment should occur?

Hon Jim Chown replied:

- (1) Yes
- (2) As the study was undertaken by the PTA for the DoP, the PTA considers that the report is the property of the DoP and therefore should be for the DoP to decide on its release.
- (3)–(5) See (2) above.
