

POLICE STATIONS, WARREN-BLACKWOOD

Petition

Mr P.D. Omodei presented the following petition bearing the signatures of 21 persons -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

Police Stations - Warren Blackwood

The communities of Augusta, Pemberton, Northcliffe and Nannup are alarmed about revelations that a police station may be closed or scaled down in our region.

The existence of a secret report containing a list of 22 (twenty-two) police stations that could be potentially closed, in country Western Australian, is yet another reason for us to be deeply concerned that the Government has even considered closing any police stations.

Now we ask that the Legislative Assembly approach the Premier and/or the Minister for Police makes a very clear statement to South West communities as to whether a list of police stations to be possibly closed exists and if so, make a clear and unambiguous announcement that NO police stations in the Warren Blackwood electorate will be closed.
