

STATE BUDGET 2013–14 — ROAD FUNDING

497. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I refer to the \$193.663 million for the line item “State Road Funds Applied to Roadworks on the Local Government Road Network” as detailed on page 393 of budget paper No 2.

- (1) How much of these funds are to meet the state’s obligation to provide 27 per cent of the estimated motor vehicle licence fees under the current State Road Funds to Local Government Agreement?
- (2) What additional road projects are included in the \$193.663 million and how much is allocated to each project?
- (3) For each project listed in (2), what is the state government’s total contribution to the project; and how much and in which financial years are the remainder of the funds for the project allocated?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question. Main Roads Western Australia advises —

- (1) All.
- (2)–(3) Not applicable.
