

**WELLINGTON DAM**

*Petition*

**MR M.P. MURRAY (Collie–Preston)** [2.58 pm]: I wish to table a petition containing 3 702 signatures. It complies with the standing orders of the house. The petition states —

**TO THE HONOURABLE THE SPEAKER AND MEMBERS OF THE LEGISLATIVE ASSEMBLY OF THE PARLIAMENT OF WESTERN AUSTRALIA IN PARLIAMENT ASSEMBLED.**

We, the undersigned, say that Wellington Dam should not be open to power boats and water skiing and should remain available only for passive recreation. The use of fuel operated water craft will destroy the ambience of the national park and not respect the preservation and protection of the environment. Furthermore there are potential risks to power boat and water skiers in Wellington Dam due to submerged obstacles and we fear that someone will be seriously injured.

We now ask the Legislative Assembly to listen to the concerns of the South West Community and respect the Wellington Dam National Park and not allow power boats and water skiers to access the site.
