

SCHOOLS — ELECTRONIC SPEED ZONE SIGNS

227. Hon SUE ELLERY to the parliamentary secretary representing the Minister for Transport:

I refer to flashing speed signs installed in school zones.

- (1) At the start of term 1, 2016, were any not operating; and, if so, at which schools and for what reason?
- (2) Have all those not operating at the start of term 1 been fixed; and, if not, how many are still not operating?
- (3) As at today's date, is the department aware of any flashing speed signs that are not operating?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question. It is not possible to provide the information in the time available and I request that the member put the question on notice.
