

KWINANA FREEWAY — RISING SEA LEVELS

817. Hon Ken Travers to the parliamentary secretary representing the Minister for Transport:

- (1) Is Main Roads Western Australia involved in any studies looking at the impact of rising sea levels on the Kwinana Freeway?
- (2) If yes to (1), what are the terms of reference for the study?
- (3) Who else is involved in the study?
- (4) What is the total cost of the study?
- (5) How much funding is Main Roads Western Australia contributing to the study and in which years will the money be expended?
- (6) When will the study be completed?

**Hon Jim Chown replied:**

- (1) Yes.
- (2) Develop a new management plan for the Kwinana Freeway Foreshore that addresses key stakeholders' current and future needs related to foreshore erosion, conservation, recreation and protection of assets.
- (3) City of South Perth and Swan River Trust.
- (4) \$116 000.
- (5) Half of the total cost in 2013–14.
- (6) Mid 2014.
