

ADJOURNMENT OF THE HOUSE

MR J.C. KOBELKE (Balcatta - Leader of the House) [2.49 pm]: I move -

That the house at its rising adjourn until Tuesday, 2 May 2006, at 2.00 pm.

We did sit late on Tuesday night. Many members, particularly those who have electorates in the south west, are wanting to get home to their electorates for Easter. We know that the traffic on the roads heading south will be heavy. Clearly, we are keen to make sure that everyone has a safe and happy Easter and is not caught up for too long in traffic. We want members to have the opportunity to drive when not tired and to drive safely. Therefore, we will be adjourning the house very soon. This procedural motion is required for our next sitting. I take this opportunity to wish all members a very happy and safe Easter so that they are able to return in two weeks to continue our business.

MR E.S. RIPPER (Belmont - Acting Premier) [2.50 pm]: I take this opportunity to extend special congratulations and good wishes to the member for Kalgoorlie, who I understand will be married over the weekend, and to the member for Darling Range, who I understand will be married in a week. I am sure that every member of the house will extend best wishes to those two members for their happiness in the future.

MR P.D. OMODEI (Warren-Blackwood - Leader of the Opposition) [2.51 pm]: I take this opportunity to thank the Leader of the House for his cooperation, to thank him and the Acting Premier for allowing the house to rise early today in the interest of the safety of members who will be travelling, and to wish everybody a very happy and safe Easter. I also join the Acting Premier in wishing the member for Kalgoorlie all the very best for his marriage on Monday and in wishing the member for Darling Range best wishes as well. I hope they have great celebrations.

Question put and passed.

House adjourned at 2.52 pm
