

MAIN ROADS WA, ROAD AND BUS TRANSFER STATION CONSTRUCTION CONTRACT NO 212/99

13. Hon Bob Thomas to the Minister for Transport:

With regard to contract 212/99 advertised in the West Australian on November 27 1999 for road and bus transfer station construction (Metropolitan Region) -

- (1) Which firm was awarded this contract?
- (2) Where are the transfer stations to be constructed?
- (3) What are the details of this project?
- (4) Will this facility replace an existing facility?
- (5) What was the tender price?
- (6) Has the project been completed?
- (7) If yes, what was the final cost?

Hon M.J. CRIDDLE replied:

- (1) Henry Walker Eltin Contracting Propriety Limited.
- (2) One transfer station, located at the central island area on Shepperton Road (beneath Canning Highway overpass).
- (3) Construction of two dedicated bus lanes from Adelaide Terrace at the Causeway roundabout to Rushton Street/Shepperton Road intersection. The bus lanes replace two existing traffic lanes. Improved road safety at the Causeway Roundabout, and Shepperton Road/Albany Highway/Great Eastern Highway intersection, by road realignment and traffic management devices for the general road user (motorists, pedestrians and cyclists etc).
- (4) Facility replaces bus stops located on Shepperton Road and Albany Highway.
- (5) \$6 655 802.00.
- (6) No. Project to be completed by end of 2000.
- (7) Not applicable.
