

FIREARM LICENSING SCHEME

**36. Mr M.P. MURRAY to the Minister for Police:**

I have a supplementary question. Due to that answer, does the minister think he has just shot himself in the foot?

**Mr R.F. JOHNSON replied:**

I cannot help this. Can I just answer that supplementary question. That just shows the sort of mental process that the member for Collie–Preston has to put in place. I say to the member for Collie–Preston that my youngest son is now one of his constituents. I can tell the member that he will be spreading the word to the people —

**Mr M.P. Murray:** He's the only Liberal voter down there!

**Mr R.F. JOHNSON:** He will not be, because his family does not vote for you, my friend. When my son tells his neighbours and friends, the people who work down there, what a ridiculous supplementary question the member asked after what was a sensible question, they will be staggered, the same as I am. The member must do better next time.
