

FUEL PRICES, GOVERNMENT TAXES

Petition

Mr Bloffwitch presented the following petition bearing the signatures of 22 persons -

To the Honourable the Speaker and members of the Legislative Assembly in Parliament assembled.

We, the undersigned people of Geraldton/Greenough, request the Government to seriously consider reducing government taxes on fuel - petrol, diesel and gas. We consider the prices we now pay are exorbitant and discriminate against country people.

Your petitioners therefore humbly pray that you will give this matter earnest consideration and your petitioners, as in duty bound, will ever pray.
