

FOREST PRODUCTS COMMISSION — STATEMENTS OF CORPORATE INTENT

**446. Mr M.P. MURRAY to the Minister for Forestry:**

I have a supplementary question. When will the minister abide by the laws of this house and table that report?

**Mr D.T. REDMAN replied:**

It is certainly my intention to do that.

**Mr M.P. Murray:** When?

**Mr D.T. REDMAN:** I cannot give a specific date because I am presently refining the statement of corporate intent. The commissioners of the Forest Products Commission have the responsibility. I certainly have the undertaking to carry that through because, and quite rightly so, it is a legislative responsibility.
