

BANKSIA ROAD WASTE FACILITY, DARDANUP — LITHIUM TAILINGS

Petition

MR M.P. MURRAY (Collie–Preston — Minister for Sport and Recreation) [4.14 pm]: I have a petition that has been certified by the clerk from 1 759 petitioners in the following terms —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned request that Cleanaway Waste Management be required to source a location other than the Banksia Rd tip in Dardanup for their proposed lithium tailings collection and management. The Banksia Rd site is completely unsuitable for the long term accumulation of toxic waste like lithium tailings due to its proximity to the township of Dardanup and the tourist attraction of Ferguson Valley. Cleanaway's proposal poses unacceptable risks to the community, the environment and economy of the region.

Now we ask the Legislative Assembly that the Minister for Planning and State Planning tribunal support residents of Dardanup Shire and the Community in their opposition to lithium tailings at the landfill precinct in Dardanup.

[See petition 136.]
