

REID HIGHWAY EXTENSION, STORMWATER RETENTION BASINS

391. Hon GIZ WATSON to the Minister for Transport:

In relation to the extension of the Reid Highway adjacent to Lake Carine -

- (1) Is construction of the stormwater retention basins required as part of the contract entered into by Main Roads Western Australia and Henry Walker Eltin?
- (2) Is the construction of the retention basins required as part of the environmental conditions set for the project?

Hon M.J. CRIDDLE replied:

I thank the member for some notice of this question.

- (1)-(2) Yes.
