

TRANSPERTH — BUSES — SMARTRIDER MACHINES

2222. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

In the following financial years, on how many occasions did SmartRider machines break down on Transperth buses:

- (a) 2010–11;
- (b) 2011–12;
- (c) 2012–13; and
- (d) 2013–14?

Hon Jim Chown replied:

- (a)–(d) The Public Transport Authority does not record statistics for SmartRider machine faults that occur on Transperth buses as they are managed at a depot level by the Transperth contracted service providers.
