

VELA LUKA PARK, COST OF STORING CLASS 5 WASTE

515. Hon Jim Scott to the Minister for Housing and Works representing the Minister for the Environment and Heritage

What is the full cost of storing Class 5 waste from Vela Luka Park at the Waste Stream Management site at Kwinana?

Hon TOM STEPHENS replied:

The Minister for the Environment and Heritage has been advised by the Department of Environmental Protection that a \$100.00 per week holding fee is paid to Waste Stream Management to store the Vela Luka Park waste. This has been paid since the waste was delivered in November/December 1999.

Additionally, a one-off payment of \$5.00 per tonne entry fee was paid in 2000, when the waste entered the facility. This amount was \$1,359.00.
