

WESTRAIL, TENDER NO 80/99

15. Hon Bob Thomas to the Minister for Transport:

With regard to Westrail tender 80/99 advertised in The West Australian on November 7 1999 involving surveying and measuring platform clearances -

- (1) Which platforms were involved in this survey?
- (2) What is the purpose of surveying them?
- (3) Have there been any incidents or accidents involving incorrect clearances?
- (4) Who has been selected to carry out this survey?
- (5) What has been the cost of the contract?

Hon M.J. CRIDDLE replied:

- (1) All platforms at stations on the urban electric railway.
- (2) To verify clearances and identify those platforms requiring upgrading to meet disability standards.
- (3) There have been no incidents or accidents involving trains impacting platforms.
- (4) Hawker Moss Surveyors.
- (5) \$65 605.
